

Lake Geneva Country Meats Charitable Giving Guidelines

Lake Geneva Country Meats has been dedicated to helping the community that supports us since our founding in 1965. To accomplish this goal, we have allocated a portion of our revenue to charitable giving. We would like to give to every cause, however, the needs in our community are greater than our resources, so it is not possible for us to grant all requests for donations. These guidelines explain Lake Geneva Country Meats' policies and the steps to request a donation from Lake Geneva Country Meats.

Lake Geneva Country Meats prefers to give in ways that create the greatest impact in our community, for instance, our annual \$5,000 donation to the Lake Geneva Restaurant Week Charity Check program. This donation benefits one local charity chosen by diners during Restaurant Week. It is our belief that we can do the most good by supporting organizations who work on a daily basis to better our community. Requests from these types of organizations will typically receive favorable responses, based on remaining budget for charitable giving.

Lake Geneva Country Meats will extend wholesale pricing to any fundraising event that wishes to feature our products, even if we cannot give a product or monetary donation. To receive a donation of product or money, an organization that we donate to must have a 501c3 or similar status with the IRS to receive a donation.

To request a donation, please fill out the form below and submit it to info@lakegenevacountrymeats.com, mail it to 5907 State Road 50 E. Lake Geneva, WI 53147 or drop it off at our store. We ask that all requests for donations be submitted 30 days prior to the event. After we receive the request, our charitable giving team will consider the request and inform you of our decision within 14 days of receiving the request. While these are our guidelines, exceptions may be made in certain circumstances and we reserve the right to change the guidelines at any time.

Thank you for helping make our community great!
